MITOC Constitution and Bylaws Review for Fall 2026 Re-registration

Documents reviewed: the 2026 MITOC Constitution, the 2025 MITOC Bylaws, and the Fall 2026 Student Organization Re-registration Form draft (Submission ID 281359). The form is due Friday, October 23, 2026 at 11:59 PM.

Summary

The constitution contains all eight statements the ASA requires word for word, so the checkbox attestations on the form are accurate. Three items of required content are missing from the constitution: explicit terms of office, the duties of each officer, and a quorum for amendment votes. The election procedure is also thin, because the constitution hands it to the bylaws, which say little.
The most serious problem is who counts as an officer. The constitution calls every Executive Board member an officer and requires officers to be MIT students, but its own Article IV, Section 3.A.4 and the bylaws let members at-large who are not students keep or hold their seats. The constitution and bylaws also disagree on discipline, on membership categories and voting rights, on Advisory Board appointments, and on who can call special meetings.

Items marked **Urgent** change the constitution and should be fixed before the constitution is uploaded with the re-registration form. Everything else changes only the bylaws, which the constitution overrides where they conflict, and can follow.

Officers, the Executive Board, and the Advisory Board

MIT requires every officer of a recognized student organization to be an MIT student and to be listed on the Engage officer roster. MIT does not decide which positions are officers; each group's constitution does. A group can therefore have board positions that are not officers, held by non-students, and its constitution and bylaws can still govern those positions.
The Advisory Board is already in that category. The constitution never calls Advisory Board members officers, so nothing in this review treats them as officers, and nothing requires them to be students.
The Executive Board is different, because of how Article IV, Section 2.A is worded: "Only MIT students are eligible to serve as officers in the organization. These officers, also referred to as the Executive Board, are listed below:". That sentence makes all nine Executive Board seats officer positions, including the five members at-large. As long as it stands, the members at-large are officers under MITOC's own constitution and must be MIT students. Issue 1 in Part 3 gives two ways to resolve this.

Part 1. Statements required word for word

The form requires each statement below to appear exactly as written in the named section of the constitution, and warns that a missing or altered statement can lead to freezing or

de-recognition. Each was checked character by character against the 2026 draft, including the curly apostrophe in "organization's".

#	Required section	Exact statement required	Status	Location in 2026 constitution
1	Membership	All MIT students are eligible for membership in the organization.	Present, exact	Art. III (Membership), paragraph 1
2	Membership	The organization's membership will at all times consist of at least 10 MIT students.	Present, exact	Art. III, paragraph 1, last sentence
3	Membership	The organization shall not discriminate based on any characteristic listed in the MIT Nondiscrimination Policy for membership, officer position, or in any other aspect.	Present, exact	Art. III, paragraph 2, first sentence
4	Membership	The Executive Board reserves the right to revoke the membership or officer position of any member, by a two-thirds majority vote, for non-conduct related reasons. All conduct-related complaints should be referred to the appropriate channel(s) for resolution, including, without limitation, the Institute Discrimination & Harassment Response (IDHR) Office, the Committee on Discipline (COD), and the Student Organizations, Leadership and Engagement (SOLE) Office.	Present, exact	Art. III, paragraph 2, second and third sentences
5	Officers	Only MIT students are eligible to serve as officers in the organization.	**Urgent**: Present, exact, but contradicted by Art. IV, Sec. 3.A.4 (see Part 3, Issue 1)	Art. IV, Sec. 2.A
6	Officers	The executive board of the organization must include at least one president and one treasurer (or corresponding positions) and each officer role must be held by a distinct MIT student, meaning one student cannot serve as both president and treasurer simultaneously.	Present, exact	Art. IV, Sec. 2.B
7	Amendment procedures	In no event shall any proposed amendment conflict with ASA guidelines, policies, or other MIT policies.	Present, exact	Art. VI (Founding Documents), Sec. C, last sentence
8	ASA Governance Clause	[Student Organization Name] agrees to abide by the policies and guidelines of the Association of Student Activities (ASA), its Executive Board, as well as the MIT Mind and Hand Book and the MIT Student Organization Handbook, all as may be subject to change from time to time. This Constitution, amendments to it, and the Bylaws of this organization shall be subject to review by the ASA Executive Board, to ensure that they are in accordance with the aforementioned policies and guidelines.	Present, exact, with "The MIT Outing Club" as the name	Art. VII (ASA Governance Clause)

Part 2. Required content

The form also lists information the constitution must contain, without prescribing the wording.

Required section	Requirement	Status	Where it is now	What to add or change
Mission	The mission of the organization	Present	Art. II (titled "Purpose")	The form asks for the mission "exactly as it is written in your organization's constitution". Paste Art. II word for word: "The purpose of MITOC shall be to create a safe community around outdoor recreation and to provide students with the education and means to use, enjoy, and explore the great outdoors." Consider renaming the article "Purpose and Mission".
Membership	An overview of membership	Present	Art. III	None for this requirement. See Part 3, Issue 3 for conflicts with the bylaws.

Required section	Requirement	Status	Where it is now	What to add or change
Officers	Officer election procedure and dates, including what makes a quorum	Partial	Art. IV, Sec. 3.A.1 says only "All nominations and elections shall be executed in accordance with the Bylaws." Bylaws Art. VI.A says only "All elected positions must be up for reelection by the general membership in a well-publicized meeting during the spring semester."	**Urgent**: Replace Art. IV, Sec. 3.A.1 with the procedure itself. Suggested text, based on current practice: "Elections for the Executive Board shall be held each year at a general meeting in April. The quorum for any election is 10 members of the general membership." "The President shall moderate elections and solicit nominations in advance. If the President is a candidate for a position, the Executive Board shall designate another moderator for that election. The moderator does not vote in elections. Any member may nominate any eligible candidate, including themselves, and nominees must accept their nomination." "All members of the general membership may vote. The moderator decides how votes are cast and counted, using anonymous voting where possible." "For a single-seat position, a candidate needs the votes of a majority of the members present; if no candidate has a majority, a runoff is held between the top two." "For member at-large, each member who is not a candidate for member at-large may vote for up to five candidates, and the five candidates with the most votes are elected, with any tie for the last seat decided by a runoff." The quorum applies to every election, including Advisory Board elections and elections to fill vacancies.
Officers	Explicit terms of office that cover every day of the year	Missing	Only the start of a term is stated: Art. IV, Sec. 3.A.2 ("Newly elected officers assume their role at the conclusion of the election meeting.") and Sec. 3.B.2 ("Newly elected officers assume their roles at the conclusion of the annual elections in the spring.")	**Urgent**: Suggested text: "Executive Board members serve one-year terms, from the end of one April election meeting to the end of the next."
Officers	Duties of each officer	Missing from the constitution	The duties are only in Bylaws Art. I, Sec. B to F. The constitution says only "All officers of MITOC shall act in accordance with the Bylaws." (Art. IV, Sec. 4)	**Urgent**: Replace Art. IV, Sec. 4 with the duties themselves, and rename it "Powers and Duties". Suggested text, combining Bylaws Art. I with the role summaries on the MITOC officers page (mitoc.mit.edu/about/officers): "The President shall preside over all meetings of the Executive Board, Advisory Board, and general membership; schedule the monthly general meetings and prepare their agendas; and represent MITOC to the ASA, SOLE, and the MIT administration." "The Vice President shall record the minutes of Executive Board and general membership meetings, manage MITOC's email lists, and respond to public inquiries." "The Treasurer shall prepare the annual budget for approval by the Executive Board; review, approve, and process reimbursements and other outgoing transactions; and prepare the annual financial report in consultation with the Bursar." "The Bursar shall manage MITOC's revenue, including the

Required section	Requirement	Status	Where it is now	What to add or change
				deposit of checks with SOLE; coordinate applications for funding; and assist the Treasurer with the annual budget and financial report." "The members at-large shall lead larger club projects and assist the other members of the Executive Board as needed." "Executive Board members shall carry out any further duties set out in the Bylaws." These duties name each position directly and refer to Executive Board members rather than officers, so they work under either option in Part 3, Issue 1.
Meetings	Frequency of meetings	Present	Art. V.A (monthly)	Optional: name the monthly meeting so other sections can refer to it clearly. Art. IV, Sec. 5.A already calls it a "general meeting", and the MITOC website calls it the Board of Directors (BOD) meeting. For example, add to Art. V.A: "This meeting, open to all members, is the general meeting."
Meetings	Who runs the meetings	Present	Art. V.C	None.
Meetings	How decisions are made, including what makes a quorum	Present	Art. IV, Sec. 5 (Quorum)	Optional: it sits in Art. IV, not the meetings article. Add a cross-reference to Art. V.A so a reviewer finds it: "Quorum and voting are governed by Article IV, Section 5."
Amendments	How an amendment is presented	Present	Art. VI, Sec. C and D	Optional: rename Art. VI to "Founding Documents and Amendments". The form checks for statement 7 in the "amendment procedures section".
Amendments	How an amendment is passed	Present	Art. VI, Sec. B	None.
Amendments	The quorum needed to pass an amendment	Missing	Art. VI, Sec. B gives vote thresholds (two-thirds of the Executive Board, or two-thirds of votes cast by the general membership in attendance) but no quorum.	**Urgent**: The quorum already exists in Art. IV, Sec. 5.A ("A quorum for general meetings shall consist of a majority of the Executive Board in attendance."), but Art. VI never says it applies to amendment votes. Add one sentence to Art. VI, Sec. B, for example: "Amendments may only be voted on at a meeting with a quorum as defined in Article IV, Section 5.A."
ASA Governance Clause	The clause, exactly as written	Present	Art. VII	None (see Part 1, row 8).

Engage officer roster

Once the officer question in Part 3, Issue 1 is settled, make the Engage officer roster match: every position the constitution calls an officer goes on the roster, and every person on it must be an MIT student.

Part 3. Inconsistencies between the constitution and

bylaws

Bylaws Art. VIII.A says the bylaws are "subsidiary to the Constitution, and when in conflict shall be superseded by the Constitution", so the constitution controls in each case below. The bylaws should still be fixed so the two documents agree.

#	Issue	Constitution (verbatim)	Bylaws (verbatim)	Suggested fix
1	**Are members at-large officers, and must they be students?** (highest risk) The constitution defines all Executive Board seats, including the five members at-large, as officers and requires officers to be MIT students. Its own Sec. 3.A.4 then lets an at-large member keep the seat after leaving MIT. The bylaws require the President, Vice President, Treasurer and Bursar to be MIT students but say nothing for members at-large, and they let Active members (and, through them, Community members) serve at-large. Other clauses also assume some Executive Board members are not students: Const. Art. V.B ("any three members of the Executive Board who have regular student status").	Art. IV, Sec. 2.A: "Only MIT students are eligible to serve as officers in the organization. These officers, also referred to as the Executive Board, are listed below:" ... "5. Five members at-large" Art. IV, Sec. 3.A.4: "If an individual serving as a member at-large departs from MIT and no longer has regular student status, the position may continue to be held provided that a majority of the executive board still remains composed of MIT students with regular student status."	Art. I, Sec. B: "The President must be an MIT student and shall have the following powers and duties:" (Sec. C, D and E say the same for the other three positions.) Art. I, Sec. F: "The Members at-Large shall have the following powers and duties:" Art. II, Sec. 3.B.3 (Active members may): "Serve as Executive Board members at-large," Art. II, Sec. 2.B.1 (Community members may): "Act in any of the ways privileged to Active members or MITOC guests."	**Urgent**, but not a quick fix: one current member at-large has graduated and is no longer a student, so either option affects a sitting board member. Ask SOLE (sole@mit.edu) which option they accept, and how to list this person on the Engage officer roster that is due with the re-registration form. **Option A, keep members at-large as officers.** Delete Const. Art. IV, Sec. 3.A.4. Add "must be an MIT student" to Bylaws Art. I, Sec. F. Limit Bylaws Art. II, Sec. 3.B.3 to Student members. List all nine on the Engage officer roster. This option matches the ASA's officer rule most directly, but the member at-large who has graduated could no longer serve. **Option B, make members at-large non-officer board seats.** Rewrite Art. IV, Sec. 2 so the officers are only the President, Vice President, Treasurer and Bursar, and the members at-large are voting board members who are not officers. For example: "A. Only MIT students are eligible to serve as officers in the organization. The officers of MITOC are the President, Vice President, Treasurer, and Bursar." Keep Sec. 2.B (statement 6) unchanged, then add: "C. The Executive Board shall consist of the officers and five members at-large. Members at-large are voting members of the Executive Board but are not officers." Sec. 3.A.4 and the bylaws then stand, and only the four officers go on the Engage officer roster. Under this option, the member at-large who has graduated can stay, if SOLE or the ASA accepts voting board seats held by non-students. Caution on Option B: the ASA's required statement 6 uses "executive board" for the body that holds the officer roles, so a reviewer may still read a voting Executive Board seat as an officer position. If you choose B, consider giving the larger body a different name (for example "Board of Directors", which matches the mitoc-bod list) and keeping "Executive Board" for the four officers.
2	**Discipline and removal.** The constitution lets the Executive Board revoke membership or office only for	Art. III: "The Executive Board reserves the right to revoke the membership or officer position of any member, by a two-thirds majority vote, for non-conduct related reasons. All conduct-related complaints	Art. VII.A: "Any member or affiliate found by the Executive Board to be in violation of MITOC policies or MIT Policies and Procedures including but not limited to those laid out in the Constitution or these Bylaws,	**Urgent**: the constitution addition to Art. III (the zero-tolerance policy below). The bylaws changes can follow. Rewrite Bylaws Art. VII.A: "The Executive Board

#	Issue	Constitution (verbatim)	Bylaws (verbatim)	Suggested fix
	non-conduct reasons, by a two-thirds vote, and sends conduct complaints to IDHR, COD or SOLE. The bylaws let the Executive Board remove people from office or membership for violating policies and community standards (conduct), with no vote threshold, and make the Executive Board a disciplinary committee. The MITOC Code of Conduct (mitoc.mit.edu/about/code-of-conduct), which Bylaws Art. VIII.B makes an official rule of order, also provides for removal, as a safety measure: "MITOC maintains a “zero-tolerance” policy (resulting in removal from the club) for the following behaviors: stalking, violent threats of any kind, physical violence (including sexual assault), domestic/dating violence, and sexual harassment."	should be referred to the appropriate channel(s) for resolution, including, without limitation, the Institute Discrimination & Harassment Response (IDHR) Office, the Committee on Discipline (COD), and the Student Organizations, Leadership and Engagement (SOLE) Office."	any rules of order or safety standards set by the safety committee, or the purpose or community standards of MITOC may be warned, censured, or removed from office or membership." Art. I, Sec. A.13: "Serve as a special disciplinary committee, as necessary."	may warn or censure any member or affiliate for violating MITOC policies, the Constitution or these Bylaws, any rules of order, or safety standards set by the Safety Committees. Removal from office or membership requires a two-thirds vote of the Executive Board under Article III of the Constitution and is limited to non-conduct reasons, including violations of the zero-tolerance policy in Article III of the Constitution. Complaints about personal conduct shall be referred to the appropriate MIT offices as Article III of the Constitution requires." Change Art. I, Sec. A.13 to "Act on disciplinary matters in accordance with Article VII." State the zero-tolerance policy in the constitution as a safety rule, so that removal under it is a non-conduct removal by the Executive Board under the required Art. III procedure. Suggested addition to Art. III: "For the safety of its participants, MITOC maintains a zero-tolerance policy for stalking, violent threats of any kind, physical violence (including sexual assault), domestic/dating violence, and sexual harassment. Any person who engages in these behaviors shall be removed from the club by a two-thirds vote of the Executive Board, and the matter shall also be referred to the MIT offices named above." MIT handles sexual harassment and assault as conduct matters through IDHR, so the ASA may still read this as conduct-related; confirm the safety framing with SOLE. The MIT offices do not cover everyone. The Committee on Discipline handles students, former students, and student organizations. IDHR handles complaints against MIT employees and may review reports about visitors and affiliates, but has no formal process for people with no MIT connection. SOLE oversees MITOC itself. Ask SOLE (sole@mit.edu) how MITOC should handle conduct by community members and guests, and confirm the wording with them before adopting it.
3	**Membership categories and who votes.** The constitution has two kinds of members (student members and community members) plus non-member guests, and defines the "general membership" as those two kinds. The bylaws add a fourth category, Active Members, which the constitution never mentions, and give election votes only to	Art. III: "Members will consist of MIT student members with regular student status and community members, while non-members shall be called “MITOC guests.”" Art. III: "The general membership shall be defined as the sum of the MIT student members with regular student status and community members. For purposes of this Constitution, “regular student status” shall mean MIT undergraduate and graduate	Art. II: "The involvement of individuals in MITOC shall be governed based on the categories of Student Members, Community Members , Active Members, and MITOC Guests." Art. II, Sec. 1.A: "1. Student members must be currently enrolled MIT students," and "2. Student members must be in good standing with MIT." Art. II, Sec. 3.B.2 (Active members may):	**Urgent**: only the constitution side, which the election text in Part 2 covers. The bylaws changes can follow. In practice all members vote in general elections, so state in the constitution that the general membership votes (see the election text in Part 2), and delete Bylaws Art. II, Sec. 3.B.2 or change it to match. Either define Active members in the constitution (and say whether they are part of the

#	Issue	Constitution (verbatim)	Bylaws (verbatim)	Suggested fix
	Active members with Executive Board endorsement, while Bylaws Art. VI.A says elections are by the "general membership". The two documents also define student members differently: "regular student status" (registered and meeting MIT financial obligations) in the constitution, and "currently enrolled" and "in good standing with MIT" in the bylaws. Extra conditions on student membership also sit awkwardly next to required statement 1, "All MIT students are eligible for membership in the organization."	students who are properly registered at MIT as current students and are fulfilling all of their MIT financial obligations to retain the status of regular students."	"Vote in Executive Board elections, with the endorsement of the Executive Board," Art. VI.A: "All elected positions must be up for reelection by the general membership in a well-publicized meeting during the spring semester."	general membership), or describe "active" in the bylaws as a status that members and guests can earn rather than a separate category. Use one definition of student member in both documents.
4	**Advisory Board appointments.** The constitution requires the general membership to approve an Executive Board appointment that fills an Advisory Board vacancy. The bylaws let the Executive Board appoint Advisory Board members on its own, and make a general membership vote optional and advisory only.	Art. IV, Sec. 3.C.2: "Vacancies in the position of Vice President, Treasurer, Bursar, member at-large, or a position on the Advisory Board shall be filled by an appointment by the Executive Board, in accordance with the Constitution and Bylaws, to be approved by the general membership at the next meeting."	Art. I, Sec. A.11: "Appoint members to the Advisory Board," Art. VI.B: "The Executive Board may use an advisory vote of the general membership to assist in the selection of appointed positions such as those on the Advisory Board or committee chairpersonships."	**Urgent**: the constitution changes (take the Advisory Board out of Art. IV, Sec. 3.C.2, add Sec. 3.B.2, and delete Sec. 3.C.3). The bylaws need no change. Write the actual rule into the constitution: the Executive Board formally appoints all Advisory Board members, but in practice it fills most positions by election. Take the Advisory Board out of Art. IV, Sec. 3.C.2 (the new Sec. 3.C.2 in Part 4 does this). Put the rule under Appointments as a new Sec. 3.B.2, and delete Sec. 3.C.3, since Sec. 3.B.2 also covers vacant Advisory Board positions: Sec. 3.B.2: "Advisory Board members are appointed by the Executive Board. Except for the Mediation Chairs and the Safety Committees, the Executive Board may instead fill a position by election at the annual election or at another general meeting." The rest can stay as written. Const. Art. IV, Sec. 2.D and Sec. 3.B.1 already say the Executive Board appoints committee chairs, and Bylaws Art. I, Sec. A.11 and Art. VI.B already describe Executive Board appointment with an optional vote of the general membership.
5	**Calling special meetings** (minor). The constitution limits this to the President or any three Executive Board members with regular student status. The bylaws give the power to the Executive Board as a whole, with no student-status condition.	Art. V.B: "Special meetings of the Executive Board or of the general membership may be called by the President or any three members of the Executive Board who have regular student status by giving written notice and justification to the general membership."	Art. I, Sec. A.10: "Call special meetings of the Executive Board or of the general membership," Art. I, Sec. B.4 (President): "Call special meetings of the Executive Board or of the general membership."	Change Bylaws Art. I, Sec. A.10 to "Call special meetings of the Executive Board or of the general membership in accordance with Article V of the Constitution," or delete it, since Const. Art. V.B already covers it.

Part 4. Issues within one document

Document	Issue	Text (verbatim)	Suggested fix
Constitution	Three different procedures for filling a President or Treasurer vacancy: an immediate election, succession by the Vice President, or Executive Board appointment approved by the general membership.	Art. IV, Sec. 3.A.3: "Should the President or Treasurer position become vacant, elections will be held immediately to fill them." Art. IV, Sec. 3.C.1: "A vacancy in the position of the President shall be filled by the Vice President." Art. IV, Sec. 3.C.2: "Vacancies in the position of Vice President, Treasurer, Bursar, member at-large, or a position on the Advisory Board shall be filled by an appointment by the Executive Board, in accordance with the Constitution and Bylaws, to be approved by the general membership at the next meeting."	**Urgent**: Keep the immediate election in Sec. 3.A.3 and make the other two clauses match. Replace Sec. 3.C.1 with: "If the President or Treasurer position becomes vacant, the Vice President or the Bursar, respectively, shall carry out its duties until a successor is elected." Replace Sec. 3.C.2 with: "A vacant Executive Board position shall be filled by election at the next general meeting." This also takes the Advisory Board out of Sec. 3.C.2 (see Part 3, Issue 4). While someone is acting in a role, update the Engage officer roster so SOLE and the ASA know who to contact.
Constitution	The start of a term is stated twice, once under Elections and once under Appointments, in different words.	Art. IV, Sec. 3.A.2: "Newly elected officers assume their role at the conclusion of the election meeting." Art. IV, Sec. 3.B.2: "Newly elected officers assume their roles at the conclusion of the annual elections in the spring."	**Urgent**: Delete Sec. 3.B.2 and put the full term of office (Part 2) in one place.
Constitution and Bylaws	The ASA's name is written two ways. The required clause uses "Association of Student Activities".	Const. Art. I: "Association for Student Activities" Const. Art. VII: "Association of Student Activities (ASA)" Bylaws Art. I, Sec. B.2: "the MIT Association for Student Activities"	**Urgent** for Const. Art. I; the bylaws can follow. Use "Association of Student Activities" throughout. Leave Art. VII as it is.
Bylaws	Three different rules for when spending needs Executive Board approval, a budget described as both non-binding and as the source of pre-approval, and a discretionary spending rule that differs from current practice.	Art. I, Sec. A.3: "Approve all spending amounting to greater than $100," Art. V.A: "An annual, non-binding budget shall be prepared and approved by the Executive Board for planning purposes." Art. V.B: "All members of the Executive and Advisory Boards shall be permitted a total of $100 of discretionary spending every month." Art. V.C: "All purchases over $100 or not pre-approved in the budget must be approved by the Executive Board."	Rewrite Art. V to match current practice, as described on the MITOC reimbursement page (mitoc.mit.edu/about/get-reimbursed). Suggested text: "A. The Treasurer shall prepare an annual budget for approval by the Executive Board, normally at a budget meeting in June. Items may be added to the budget at other times by a vote of the Executive Board." "B. Each Executive Board and Advisory Board position may oversee up to $100 of discretionary spending per month. If a position is shared between multiple people, they share a single spending cap; the only exception is the members at-large, each of whom has a separate cap. Discretionary spending may only be used for incidentals. The Treasurer approves discretionary spending. Discretionary spending above this amount may be requested as a budget item." "C. All other spending must be approved by a vote of the Executive Board and recorded in the budget. The Treasurer shall not reimburse spending that has not been approved or that exceeds the budget." Then change Art. I, Sec. A.2 to "Approve the annual budget," and Art. I, Sec. A.3 to "Approve spending

Document	Issue	Text (verbatim)	Suggested fix
			in accordance with Article V,". The current Art. V calls the budget "non-binding", requires Executive Board approval only for purchases over $100 or outside the budget, and gives $100 to each board member individually; the text above replaces all three.
Bylaws	Officer duties are mostly correct but miss some of the duties listed on the MITOC officers page (mitoc.mit.edu/about/officers), and the Treasurer's duties do not yet reflect the suggested Art. V.	Art. I, Sec. B.3: "Draft and manage agendas for Executive and Advisory Board meetings, as well as meetings of the general membership, to be reviewed at said meeting," Art. I, Sec. D.3: "Review, approve, process, and record outgoing financial transactions, including the reimbursement of MITOC funds for official purposes." Art. I, Sec. E.2: "Manage the deposition of checks to the Student Organizations, Leadership and Engagement Office," Art. I, Sec. F.2: "Assist the other members of the Executive Board in their respective tasks,"	Keep the existing items and add the missing duties: President (Sec. B): add a new item before B.3: "Schedule and organize the monthly general meetings,". Art. I, Sec. A.7 gives the Executive Board the power to set dates and places for regular meetings, so the President schedules within those. Vice President (Sec. C): add after C.4: "Respond to public inquiries to MITOC," Treasurer (Sec. D): change D.3 to "Review, approve, process, and record outgoing financial transactions, including reimbursements, requisitions, and discretionary spending under Article V," Bursar (Sec. E): change E.2 to "Manage MITOC's revenue, including the deposit of checks with the Student Organizations, Leadership and Engagement Office," Members at-large (Sec. F): add a new item before F.2: "Lead larger club projects,"
Bylaws	Trip leader approval: the bylaws give it to the Safety Committees (with the Executive Board), but in practice it depends on the season and activity. In winter the Winter Safety Committee approves leaders; in the 3-season months the 3-Season Safety Committee approves hiking leaders; for smaller programs the activity chairs approve their own leaders.	Art. II, Sec. 3.B.1 (Active members may): "Serve as MITOC trip leaders, with the approval of the Executive Board and the Safety Committee," Art. III, Sec. 1.B.2 (Safety Committees): "Approve and rate trip leaders, with the cooperation of the Executive Board,"	All the Safety Committee duties split by season, so state the split once. Add to Art. III, Sec. 1.A: "The Winter Safety Committee carries out the duties below for winter trips, and the 3-Season Safety Committee for trips at other times of year." Then change Art. III, Sec. 1.B.2 to: "Approve and rate trip leaders, which they may delegate to activity chairs where applicable," Change Art. II, Sec. 3.B.1 to: "Serve as MITOC trip leaders, once approved under Article III,"
Bylaws	Numbering skips item 5.	Art. II, Sec. 3.B: items run "4. Serve on the Advisory Board," then "6. Serve on MITOC committees,"	Renumber.
Bylaws	Repeated word.	Art. I, Sec. E: "The Bursar must be an MIT student and and shall have the following powers and duties:"	Delete the second "and".
